Dear FBANC Supporter:

On Friday, May 7, 2010, the Filipino Bar Association of Northern California (“FBANC”) will proudly host its **30<sup>th</sup> Annual Installation Dinner** at The Four Seas Restaurant in San Francisco. FBANC is one of the most well-established Filipino-American Bar Associations in the country and has over 200 members in the Bay Area from a wide range of legal backgrounds. Our Annual Installation Dinner is the most important event for Filipino-American attorneys in Northern California and draws a diverse attendance from the legal community including attorneys, law students, judges, and leaders from the Filipino-American community as well.

This year, FBANC will give special recognition to outstanding FBANC volunteers and founding members as well as award scholarships to deserving law students. Our keynote address will be delivered by **Ruthe Catolico Ashley**, a national expert on diversity and educational pipelines who led the State Bar of California in the Diversity Pipeline Task Force and currently chairs the ABA’s Council on Racial and Ethnic Diversity in the Educational Pipelines. She has been the first Filipina on many boards and commissions and is a recipient of the 100 Filipinas Who Could be President Award.

Please consider taking the opportunity to sponsor this event. In light of the current economy, we have made an effort to reduce our sponsorship, advertising, and individual tickets rates without compromising FBANC’s efforts towards professional development, networking, advocacy, and diversity that your generous sponsorship provides.
